

Atilla Akdeniz

Demand Planning Executive

Hello, I'm Atilla

As a Demand Planner, with 15 years of work experience in the supply chain department, I have developed expertise in areas such as demand forecasting, inventory management, order planning and optimisation. I have used my data analysis, reporting and collaboration skills to improve supply chain performance and ensure customer satisfaction. I am open to providing innovative solutions and adopting new technologies to improve supply chain processes.

EXPERIENCE

- 2021 - Current **Demand Planning Executive | Kerevitas Inc.**
3 years
- Analysed historical sales trends, researched demand factors, and prepared forecast data to develop statistical forecast models and evaluate forecast results.
